

AMENDMENTS TO THE DRAWINGS

Two (2) replacement sheets of corrected formal drawings are attached hereto. Further, two (2) sheets of red ink drawing changes illustrating the changes made in the corrected formal drawings are attached hereto.

In Figure 3, the thickness measurement illustration has been moved to accurately reflect the actual thickness of the tape member.

In Figure 4, cross-hatching has been added.

In Figure 5, cross-hatching has been added. Further, the twisting area of the twisted pairs 14 has been indicated in dashed lines, consistent with Figures 1, 2 and 4.

In Figure 6, cross-hatching has been added. Further, the twisting area of the twisted pairs 14 has been indicated in dashed lines, consistent with Figures 1, 2, 4 and 5.

In Figure 7, cross-hatching has been added. Further, the twisting area of the twisted pairs 14 has been indicated in dashed lines, consistent with Figures 1, 2, 4, 5 and 6.
